where the resources meet the needs

Annual Report 2022

CEO'S MESSAGE

Another incredible year has come to an end! When I reflect on CMA's achievements and look at the numbers in this report of activities done, people reached and lives changed, I thank the Lord for His faithfulness as He walked with us throughout the year.

I give thanks for you, our partners, who have given so generously of your time, prayers and resources, touching and changing so many lives here in Africa. I thank our dynamic global CMA teams and our esteemed partners for their commitment, coming together, making all this possible.

“Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me” —Matthew 25:40, 45.

ChristianMissionAid

Christian Outreach

The **Christian Outreach** ministry is the foundation of Christian Mission Aid. CMA provides leadership trainings and equips local pastors and church leaders from least-reached, underdeveloped areas with knowledge and skills for effective ministry. The pastors are also provided with Bibles, and given mobility through bicycles and motorcycles.

283 Pastors & Church leaders trained at **10** leadership Seminars

618 Bibles & **72** Audio Bibles distributed to pastors & churches

17 Deaf Pastors trained and graduated in **4** Training Seminars

30 Bicycles were presented to pastors for more effective ministry to their people

14 Motorcycles given to rural pastors to enhance their ministry

Children & Youth

The Children and Youth Ministry

conducts innovative ministries geared towards mentoring and empowering children and youth, showing them the love of Christ and equipping them to become world changers and history makers of their generation. CMA offers these children a chance to achieve their dreams, giving them hope of a better life.

Community Development

Community Development

Ministry: CMA

promotes community-driven approach that empowers leaders to use their God-given abilities to create sustainable development in their own communities to successfully overcome their needs and challenges.

Water filters: clean drinking water is a major challenge to people in marginalized communities, causing water-borne diseases. CMA distributed water filters as a solution to this perennial problem.

Orisai Irrigation Project: Food security for the community

The **22 acre** irrigation project draws water from a nearby lake to irrigate onions, corn, amaranth and eggplant to feed the community, among them 350 students from the local primary school. **36,230 Kgs** of onions **48,000 Kgs** of maize were harvested.

The project has been so successful that the local Government officials have visited the site for benchmarking to replicate the model in other areas.

72 ADULTS trained in the Adult Literacy program
